RINGING WORDS FROM PLATFORM

OF OHIO REPUBLICANS.

"Following step by step the changed conditions of the years, the Republican party goes forward with renewed faith in the people, firm in its purpose to serve them today with the same sincerity and fidelity that marked the noble work of Abraham Lincoln.

"On behalf of the Republicans of Ohio, this convention extends to the President of the United States sincere sympathy on account of the sorrow and bereavement which has recently fallen upon his household.

"We reaffirm our adherence to the principle of protection to American industries for the investment of American capital, and in the employment of American labor at the American standard of wage.

"We denounce the Underwood tariff act as a law in the interest of foreign rather than the American producer. We denounce the legislation which has turned the balance of trade against us and is draining our country of its gold.

"The fallacy of the Democratic claim that protection is the cause of the high cost of living is shown by the failure of the Underwood act to reduce it.

"We favor such legislation by the National Congress as will provide an adequate merchant marine for the extension of our trade to all parts of the world in times of peace, and will enable us in time of war to provide ample transportation of products of neutral countries, especially those of the Western continents."

COST WHEN A FOOL IS AT THE WHEEL.

The fool at the wheel of the automobile is full brother to the fool who rocks the boat. Many persons who have experienced the discomfort of being passengers in motor vehicles driven by persons fond of displaying their reckless view with pleasure the result of a damage suit filed in Pennsylvania to recover for the death of a girl who was a passenger upon a reckless motorcycle.

The evidence showed that the motorcycleist invited the girl to ride with him. She accepted the invitation, and he "speeded up" until the machine was traveling at a dangerous gait amid the shifting obstacles of a crowded street. An accident occurred and the passenger was killed. The driver shared her injuries and subsequently died. A suit against his estate to recover damages results in a verdict for the plaintiff. It was contended by the plaintiff that when the driver of a vehicle invites another to become his passenger he imposes upon himself the duty of operating the machine in a safe and proper manner to protect the passenger from other than the ordinary risks of traffic.

The proportion of sensible motorists rapidly increases. There are nowadays far fewer reckless drivers in proportion to the total number of drivers than there were when motoring was a novelty and distinctly a sport. There are, nevertheless, a good many drivers who take passengers without feeling obliged to exercise reasonable care in behalf of their safety. Such drivers should be made to pay damages when their negligence causes the injury of the passenger.—Louisville Courier-Journal.

HOCH, DER WEINERWURST!

Heard on the street:

"Paper says the Japs have taken Peruva."
"Yes, the Germans are to retaliate by taking Coca-Cola."

Whereupon, it becomes evident that the French will soon take Parfay, and the late advices say the British have seized Frankfurter-on-Rye, preparatory to the taking of Budweiser.—Carlisle Mercury.

The Free-Trade key was never known to open the door of a factory in the United States.

Political Pickings

Judging from the way Colonel Roosevelt appears to be "slowing up" we wouldn't be the least surprised to observe the Progressive league asking waivers on him in the near future.

THE DAILY NOVELETTE.

The Fall

Once on a time, late in the fall,
He said he'd leave for good and all.
Father spied him and he did call
So loudly that he jumped the wall.
That's all.

"Don't look down," he warned her, lest you grow dizzy and fall."

She looked, and even as he had said, grew dizzy and fell, fell, fell. He reached out desperately to stop her, and he too, fell, fell.

Fell, fell, fell, fell, fell. Were it not for lack of space the word could be repeated indefinitely without loss of verisimilitude. Fell, fell, etc., etc. It was a horrible distance.

"Help!" she cried, and the rushing wind carried the sound to his falling ears.

"I'm near you!" he responded reassuringly.

And still they fell. Not once, but scores of times, did the history of their past life rush through their dropping brains. They got tired of reviewing it. Such was the extent of their fall.

"It seems hours since we started," she sobbed. "Won't you try to manage it so that I can fall on you?"

From that tremendous height they hit the earth a foot apart and disappeared.

They were rain drops.—Louisville Times.

DO IT NOW

Mayville People Should Not Wait Until It Is Too Late.

The appalling death-rate from kidney disease is due largely to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms often give place to chronic disorders and the sufferer may slip gradually into some serious form of kidney complaint.

If you suffer from backache, headaches, dizzy spells, if the kidney secretions are irregular of passage and unnatural in appearance, do not delay. Help the kidneys at once.

Doan's Kidney Pills are especially for kidney disorders—they act where others fail. Over one hundred thousand people have recommended them. Here's a case at home:

Mrs. S. Neal, 497 W. Second St., Maysville, Ky., says: "One of my family had a great deal of trouble from his back and kidneys. Doan's Kidney Pills made him better and he always praises them."

Mrs. Neal is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Neal recommends—the remedy backed by home testimony. 50c all stores. FUNNYGRAPHS FROM THE CYNTHIANA DEMOCRAT

Who will issue the ultimate ultimatum?

Lates war bulletin: The Cynthiana cruisers are reported to have sunk a number of German schooners at Paris.

While they are reforming the currency why not produce a dollar for the Endurance Stakes—one that will go far? Never mind the speed.

It is comforting to learn from the Bowling Green Messenger that the results of the late primary election are known "beyond peradventure." That's the jumping off place.

Mr. McLaughlin, who also ran for the Republican nomination for United States Senator, swears he spent \$3.10 during the campaign. And the return show that Mr. McLaughlin got \$3.10 worth of votes.

The case of the Hopkinsville Kentuckian will be reported to the mid-winter meeting of the Kentucky Press Association. The Kentuckian says "Germany is in martial array and all her bands are Teuton."

Father always gets the worst of it. The Kentucky school books have been changed this year, and when the war is over he will have to buy the children new geographies to keep up with the map of Europe.

HONK! HONK! FAREWELL!

BEREAVED!—Please write a sobbing verse for publication about our Wilham, who was playing on the pike about the time a touring car crossed the landscape. Answer—Most certainly. The sob follows:

It was hot down on the road,
Where our Willie tossed a load,
And the floating dust lay heavy in the air.

Then there came a single "honk,"
While our beating hearts they sunk,
And we buried Willie deep with tender care.

MISS SEIGFRIED WILL NOT BE HERE.

Word has been received that the sudden illness of Mrs. Siegfried will prevent her daughter, Miss Sylvia Siegfried from being in Maysville Sunday. She was to have spoken in the Christian Church on her labors in the Philippine Islands. Rev. A. P. Stahl will speak on "Some Things Taught by Paul in 1st Corinthians." Thus continuing his series on the "Epistles."

PIANO INSTRUCTION.

Miss Lida Berry has returned from Chicago where she attended the summer school of music conducted by Mrs. Crosby Adams, in the Fine Arts Building.

Miss Berry will re-open her studio September 1st, at 214 Court street, and will resume teaching September 7th. For further information apply at 214 Court street. 29-31-2-5
